Ms. Brown： Hello, everyone. As you know, we will have an online meeting with a high school in Australia next month. So, today, we will choose the topics. Now, I'll introduce three examples that some of you gave me during the last class.

First, Lisa wants to talk about school events in each country. You know, in Japan, we have sports day, school festivals, and school trips. She wants to introduce some interesting school events in Japan and learn about school events in Australia.

Second, Takuya chose the topic about vacations. In Japan, we usually do our homework, do club activities, or enjoy traveling. He wants to know how students in Australia spend their vacations.

Third, Satoko wants to talk about the subjects that students like the most. For example, one of her friends in Australia loves drama class. Satoko wants to talk about the subjects that students in each school really like.

These three are all good examples. During the online meeting, I want the students in Australia to be interested in our topics. So, let's choose such topics.

質問します。 What does Ms. Brown want to do for the students in Australia?

くり返します。（省略）

これでリスニングテストを終わります。ひきつづき、検査問題2番から5番までの解答を始めなさい。
